

gemini-2.5-flash-image (dry-run)

Semi-flat comic style, consistent faces and outfits, high contrast, clean speech bubbles.
 Panel 1 Title: Policy gradient intuition for engineers.
 Scene: A Visual Walkthrough Topic: Policy gradient intuition for engineers.
 Audience: intermediate Recurring characters: Ada, Turing.
 Style and consistency guide: Semi-flat comic style, consistent faces and outfits, high contrast, clean speech bubbles.
 Scene: Setup scene. Ada and Turing discuss Policy gradient intuition for engineers.
 Dialogue text to make legible in scene: Ada: "I thought Policy gradient intuition for engineers was simpler." Turing: "Let's unpack Policy gradient intuition for engineers with a metaphor." Teaching intent: Teach: Policy gradient intuition for engineers.
 Instructions: keep characters visually consistent with prior panels.

Panel 1: Teach: Policy gradient intuition for engineers

Ada: 'I thought Policy gradient intuition for engineers was simpler.' Turing: 'Let's unpack Policy gradient intuition for engineers with a metaphor.'

gemini-2.5-flash-image (dry-run)

Semi-flat comic style, consistent faces and outfits, high contrast, clean speech bubbles

Panel 2 Title: Policy gradient intuition for engineers

A Visual Walkthrough Topic: Policy gradient intuition for engineers Audience: intermediate Recurring characters: Ada

Turning Style and consistency guide: Semi-flat comic style, consistent faces and outfits, high contrast, clean speech bubbles

Scene: Confusion scene: Ada and Turing discuss Policy gradient intuition for engineers

Dialogue text to make legible in scene: Ada: "I thought Policy gradient intuition for engineers was simpler."

Turing: "Let's unpack Policy gradient intuition for engineers with a metaphor."

Teaching intent: Teach: Policy gradient intuition for engineers

Metaphor anchor: Exploring hallways with a map and scoreboard

Instructions: keep characters visually consistent with prior panels

Panel 2: Teach: Policy gradient intuition for engineers

Ada: 'I thought Policy gradient intuition for engineers was simpler.' Turing: 'Let's unpack Policy gradient intuition for engineers with a metaphor.'

gemini-2.5-flash-image (dry-run)

Semi-fall comic style, consistent faces and outfits, high contrast, clear speech bubbles
Panel 3 Title: Policy gradient intuition for engineers: A Visual Walkthrough Topic: Policy gradient intuition for engineers Audience: Intermediate Recurring characters: Ada
Turning Style and consistency guide: Semi-fall comic style, consistent faces and outfits, high contrast, clear speech bubbles Scene: Confusion scene: Ada and Turing discuss Policy gradient intuition for engineers
Dialogue text to make legible in scene: Ada: 'I thought Policy gradient intuition for engineers was simpler.' Turing: 'Let's unpack Policy gradient intuition for engineers with a metaphor.' Teaching intent Teach: Policy gradient intuition for engineers Metaphor anchor: Exploring hallways with a map and scorecard Instructions: Keep characters visually consistent with prior panels

Panel 3: Teach: Policy gradient intuition for engineers

Ada: 'I thought Policy gradient intuition for engineers was simpler.' Turing: 'Let's unpack Policy gradient intuition for engineers with a metaphor.'

gemini-2.5-flash-image (dry-run)

Semi-flat cost style, consistent faces and outfits, high contrast, clean speech bubbles

Panel 4 Title: Policy gradient intuition for engineers A Visual Walkthrough Topic: Policy gradient intuition for engineers Audience: intermediate Recurring characters: Ada, Turing Style and consistency guide: Semi-flat cost style, consistent faces and outfits, high contrast, clean speech bubbles Scene: Insight scene: Ada and Turing discuss Policy gradient intuition for engineers Dialogue text to make legible in scene: Ada: "I thought Policy gradient intuition for engineers was simpler." Turing: "Let's unpack Policy gradient intuition for engineers with a metaphor." Teaching intent Teach: Policy gradient intuition for engineers Metaphor anchor: Exploring hallways with a map and scorecard Instructions: keep characters visually consistent with prior panels

Panel 4: Teach: Policy gradient intuition for engineers

Ada: 'I thought Policy gradient intuition for engineers was simpler.' Turing: 'Let's unpack Policy gradient intuition for engineers with a metaphor.'

gemini-2.5-flash-image (dry-run)

Semi-flat comic style, consistent faces and outfits, high contrast, clean speech bubbles
 Panel 5 Title: Policy gradient intuition for engineers
 A Visual Walkthrough Topic: Policy gradient intuition for engineers Audience: intermediate Recurring characters: Ada, Turing
